

Corporate BD and R&D realize the need for External Innovation to stay ahead and to have real impact.

How do you build sustainable ventures outside of the corporate structure?

NLC is your partner for **External Innovation.**

Innovation is at the heart of our business, that is why we help you to build the next generation of healthtech ventures.

Together, we stand for:

Serious Impact
Healthy Business
Inspiring Network

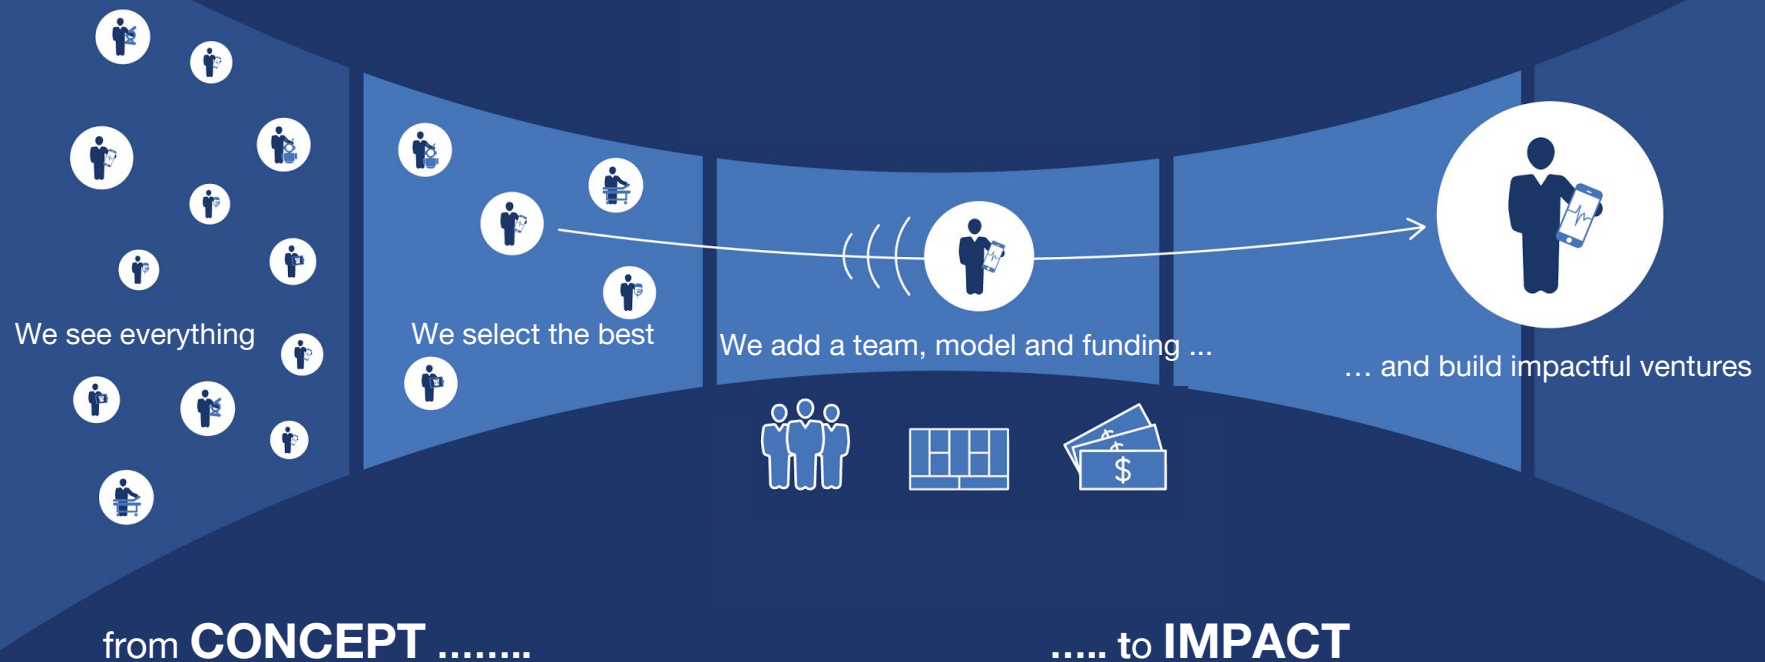

NLC

NLC
your partner for external innovation

NLC's **Corporate Healthtech Innovation Platform** is tailored to external corporate innovation and research.

NLC **scouts, selects, validates and builds** healthtech ventures and turns promising innovation and IP into viable businesses.

Our combined strengths results in **accelerated, effective and impactful innovation!**
